

ZoteroBib <https://zbib.org/> é unha ferramenta gratuita de Zotero para xerar facilmente e rápido listaxes bibliográficas en distintos estilos. Non hai que instalar ningún software nin crear ningunha conta.

Podemos agregar referencias bibliográficas automaticamente:

Hai que localizala na rede e copiar a url na caixa de busca. Ou escribir o ISBN, o DOI, arXiv ID ou o PMID de PubMed, ou buscar por título.

Turabian 8th edition (full note) Default

Como se exporta ou copia a bibliografía?

Unha vez completamos a nosa bibliografía podemos copiala e pegala no noso artigo ou traballo premendo no botón *Copy to clipboard*.

Tamén podemos, co despregable, gardala en html para agregala a unha web, en RTF para abrila nun procesador de textos, en RIS ou Bibtex para facelo nun xestor bibliográfico, ou exportala á nosa conta de Zotero.

Bibliography

American Psychological Association 7th edition

Orosa, J. A., Cao-Feijóo, G., Pérez-Castelo, F. J., & Pérez-Canosa, J. M. (2024). A new deep learning methodology for alarm supervision in marine power stations. *Sensors*, 24(21), 6957. <https://doi.org/10.3390/s24216957>

Orosa, J. A., García-Bustelo, E. J., & Vergara, D. (2023). A new procedure to design an open circuit blowing subsonic moist-air wind tunnel. *Applied Sciences*, 13(19), 11021. <https://doi.org/10.3390/app131911021>

Pérez-Canosa, J. M., & Orosa, J. A. (2024). A new methodology for optimization of lashing lines in the securing arrangement of non-standardized cargo on ships. *Applied Sciences*, 14(23), 11442. <https://doi.org/10.3390/app142311442>

Guía de uso
Febreiro 2025

Cite anything

ZoteroBib helps you build a bibliography instantly from any computer or device, without creating an account or installing any software. It's brought to you by the team behind Zotero, the powerful open-source research tool recommended by thousands of universities worldwide, so you can trust it to help you seamlessly add sources and produce perfect bibliographies. If you need to reuse sources across multiple projects or build a shared research library, we recommend using Zotero instead.

Biblioteca da Escola Técnica Superior de
Náutica e Máquinas.
