

Call for expression of interest: Short research stays for EMERGE PhDs students

1. Features:

- **Funding for research stays of EMERGE PhDs** students at other EMERGE institution different from their own, funded by the *Xunta de Galicia* with EMERGE research budget allocation of reference: 0599230178-541A-64000
- Number of available funded stays: **4**
- Maximum funding: **1500€** per person for transport and accommodation expenses. Research stays between 5 and 15 days, to take place before the end of year 2025

2. Requisites:

- **To be enrolled into a PhD program of any of the EMERGE universities** within the period of the research visit
- To be **based either at UDC**, and willing to be hosted by any other EMERGE university (or institution linked to it) **or to be based at an EMERGE university different from UDC** and willing to be hosted at the UDC (or UDC-linked institution)
- The links with more than one EMERGE university research group will be positively taken into account. Links with industry will also be positively considered

3. Deadline and application procedure:

- Applications should be sent to administration.emerge@udc.es **no later than 21th of October 2025**
- They should include:
 - **Contact details and abbreviated CV (max. two pages)**
 - **Brief (max two pages) summary on the research** to be carried out and **planned dates**
 - **E-mails of commitment** from the person(s) in charge of the research group at the hosting EMERGE university/EMERGE-linked institution or third-place

4. Granting details and procedure

- A commission chaired by Jerónimo Puertas (UDC Vice-president of Research and Transference) or his delegate, Moisés Canle (UDC Vice-president of academic Degrees and Internationalization) or his delegate, Pablo Rodríguez-Vellando (EMERGE WP6 Leader), acting as secretary, and Marceliano Rodríguez (EMERGE UDC Local Coordinator) will meet, **produce and publish a preference list by 24 of October 2025 at <https://www.udc.es/es/emerge/convocatorias/>**
- For all the applicants the commission will evaluate:
 - Academic merits

- Research merits
- Quality and feasibility of research proposal
- The selecting committee may (1) establish additional criteria for evaluating and selecting applications and (2) adjust the result to maintain proportionality in the selected participants per scientific field
 - The balance between UDC as hosting/sending institution will be pursued
- Selected applicants should accept the funding and provide the travel agency designated by the UDC with their **specific travel needs no later than the 31st of October**
- A report should be produced at the end of the research stay to show the achieved goals no later than 28th of February 2026
- Selected applicants must ensure that they comply with the necessary insurance coverages
- Should any of the requirements not be fulfilled, the funding could be revoked
